___ Feline Annual: Preventative Health Exam, FVRCP, FeLV, Fecal Exam, Rabies, & FELV/FIV Test

___ I wish to waive an exam and recommended yearly diagnostics and receive vaccinations only for my pet. **I understand without being examined for any health issues, my pet may be at risk for vaccination injury.**

YES NO My pet is UP TO DATE (If not done here, what veterinary clinic can we contact to get current records?)

YES NO Wellness Panel (Bloodwork): **(We recommend yearly bloodwork for any pet in their senior years to help screen for any issues they may be encountering at an early stage in order to catch diseases early.)**

All pets will be examined for external parasites (fleas/ticks) and will be treated appropriately if any parasites are noted. I understand & agree that my account will be charged for administered treatment. YES NO

I give permission for my pet to be sedated in the instance that we are unable to safely perform treatments. Our goal is to keep pets and staff safe. We try to avoid undue stress on our patients and would prefer chemical restraint in this instance.
